Dear Arthur,

How can anyone patiently await further news about this? I will be checking my e-mail every day from now on! Thanks for pulling this off. It sounds delightful, and I will be sure to be there even it is a 10-mile walk.

**OLD TIMERS ASSAY COMMISSIONERS SOCIETY
P O Box 1348
Wolfeboro, NH 03894**

1 June 2010

Fellow Commissioners:

We are delighted to advise you that, as of today, it is highly likely that our Boston reunion will be held at the Massachusetts Historical Society, 1154 Mass Avenue, Boston. This is about a 7 minute walk from the Hynes Convention Auditorium, site of the ANA World's Fair of Money.

Our meeting is scheduled for 6 PM on Wednesday, August 11. Our program will be a PowerPoint program and guided tour of the nine case exhibit of rare and outstanding coins and medals of the Colonial and Revolutionary era in Massachusetts, provided by Anne Bentley, MHS Curator.

We will *not* be asked to assay any of this material.

We are privileged to be the first group scheduled to meet at the MHS. Most of the funding necessary to make this possible has been generously donated, and when the final list of donors is known you will be advised. A nominal increase in our cost may be necessary: for the moment, please plan on dues of \$5 and \$20 for our refreshments. Those able and willing to contribute more – as several of you have so generously done each year, thank you! – are invited to do so.

Realising that the short walk may be difficult for some of you, we plan to have taxis available, or someone to accompany you for the 2½ blocks. When you send in your registration form please indicate whether you will need such assistance.

This is a truly unique opportunity to view historically significant material that has not been available for many decades. We are excited that OTACS will have this privilege, and strongly encourage your participation in it.

Please mark your calendars and be patient for further specific details.

Respectfully submitted,

Arthur & Prue

Fellow Commissioners:

Please mark your calendars: **Wednesday, August 11, 6:00 PM** we will gather at the **Massachusetts Historical Society, 1154 Boylston St, Boston** for our annual reunion. And, thanks to the solicitous efforts of David Ganz and the generosity of some members who have already sent their support, sufficient funds have been donated to provide the evening *at no charge* for all members of OTACS! The venue is a short 7-8 minute walk from the ANA convention site and/or the Sheraton Hotel.

Assistance will be offered for those who may find the walking difficult.

This extraordinary opportunity should not be missed! Rare and unique revolutionary era material and documents will be on display. MHS Curator Anne Bentley will have a PowerPoint program on the displays, and will guide us through the Society's facility. There will be refreshments.

The business meeting will be as brief as possible, thanking the retiring officers and introducing the new. Amazingly, we are unaware of the loss of any member in the past year. With your registrations you are encouraged to pass along any news or greetings you wish to share among us.

If you have questions, drop us a line or give us a call:

OLD TIMERS ASSAY COMMISSIONERS SOCIETY

P O Box 1348

Wolfeboro, New Hampshire 03894

Wednesday, August 11, 2010

Fellow Commissioners:

What a fantastic meeting we had in Boston at the Massachusetts Historical Society! While recognizing the vicissitudes of life, we truly wish that more of us had been able to participate. 28 members and guests lingered attentively over nine exhibit cases of rare and unique historically significant items from the 17th to early 19th centuries. From Willow, Oak and Pine Tree coinages, to exotic college medals and diplomatic presentation pieces; to early maps and hand-written letters and documents – all neatly displayed with explanatory placards. Fortunately, assayers were not expected to pursue their duties! A huge “Thank you!” was (and is) extended to Anne Bentley, our M.H.S. curator, for assembling the material and rhapsodizing enthusiastically about her treasures, much of which had not been displayed in over a century.

We were honored with three ANA staff as our guests, Executive Director Larry Shepherd among them.

We are indebted to commissioners Paul Whitnah and David Ganz for their significant contribution toward the expenses of the meeting, and for the very generous support of Steve Ivy, John Albanese, and Mike Fuljenz, which David enlisted. Please thank them should you have the opportunity.

Anne Bentley was also presented a richly deserved Presidential Award by former ANA president Ken Hallenbeck, in the absence of current president, Clifford Mishler.

Warm greetings were acknowledged from several absentees: Polly Dodson (always the first to reply!), Nelson Aspen, Robert Duphorne, Harold Bushey, Val Mogensen and Hank Spangenberg (not foing well).

Recognition was accorded our retiring officers Don Bailey, David Ganz and Clifford Mishler for their diligence during the past year. For 2010-2011 we look forward to working with Chief Weigher: Eric Newman (who will, at 100, be the oldest ever to so serve), Chief Counter: Catherine Bullowa-Moore; and Chief Assayer James Hunnicutt, whose absence – due to another hip replacement - was lamented.

Since our gathering we have been deeply saddened to learn of the death of Lester G. Davis, Class of 1967, on October 2. Ever a "class" gentleman, he will be sorely missed, and our condolences go out to his family,

It is always of concern when we hear nothing of or from our members. Has any of you current information about Margo Russell, Ed Rochette, Lucy Freeman, Robert Steele or James Cohen?

The ANA is adding a convention in the fall, but we expect to continue our August gatherings which, for 2011, is in Chicago. Until then we hope you will stay well, enjoy the holidays soon upon us, and be well rested for our next reunion. And we are always open for the reception of fresh news and updates of your doings!

With respect and appreciation for your past service and continuing interest!

Fellow Commissioners:

Congratulations to our own Eric Newman who celebrates his CENTENNIAL this day! We all wish him well for many more!

There had been some competition to be the first to achieve this milestone among our society members, but Eric persevered and has become the first to achieve the age at which OTACS dues will no longer be assessed. Congratulations for this signal accomplishment.

While we have your attention: we WILL meet in Chicago on WEDNESDAY AUGUST 17, 2011, in the Convention Center (probably 6:30 PM in a room to be assigned). If you have news or agenda items for discussion please advise us. Full details and registration form will be forwarded later.

And, at the risk of a Federal investigation for misuse of OTACS resources, may I ask for your votes for Vice-President in the imminent ANA election! This is the only contested seat. *THANK YOU VERY MUCH!*

Respectfully submitted,

Arthur

Fellow Commissioners:

First, the good news about our reunion in Philadelphia: we are confirmed to meet on *Wednesday, August 8*, at 6:00 p.m. in Room 113A of the Pennsylvania Convention Center.

The not-so-good news is that the U S Mint has yet to confirm our hoped for gathering at the Mint itself...though David Ganz continues his efforts to secure the space and time, and to minimize the security clearance requirements, for which we are most grateful. In anticipation of his success, there will be an enclosure/attachment (as part of your meeting registration form) asking you for an indication of your intention to attend a Mint gathering; if you do plan to participate, we will also need your address, your SS # and your date of birth. {We promise to keep such information confidential and use it only if the Mint does require it!}

The not-at-all good news is that we have lost contact with the designers of our hoped for medal. We will continue with the effort, even though it may necessitate distribution sometime later.

This is to be our *final formal reunion*, as agreed last year: fewer are able to attend each year, and the logistics of arranging a meeting room and especially the costs for catering for our diminishing numbers are prohibitive. Regardless of where we ultimately gather, we urge all that are able to attend this *last hurrah*!

***NOTA BENE!* We have money in the bank, so NO DUES are being requested! But contributions are always welcome, and *please add \$15* for each guest you invite to the event. {There is no certainty that guests will be able to participate in any meeting at the mint!} A timely return of the registration will be appreciated: do it NOW, lest you forget....**

Sadly, we must report the deaths of two honorable Commissioners: Hank Spangenberg and Val Mogensen, and our dear friend, Bert Bressett. We shall miss them, and our condolences go to their families. Please advise if you have other – especially better – news: do we not add another centenarian this year? Be sure to send any comments for sharing during the meeting!

We regret the uncertainty of our Mint visit, and any inconvenience it may pose for you. Yet we do look forward to seeing and hearing from you all! Pride and camaraderie are all that we have left from our personal services to our nation's monetary history.

Respectfully submitted,

Arthur & Prue
